

Our Services

Private Labeling

We, as a quality clothing manufacturer, understand the importance of private labelling for a clothing brand. We provide a wide range of labelling options for all of your clothing needs at the best prices that making us one of the most reliable private label clothing manufacturers.

Cut And Sew Manufacturing

We at Stratton understand the role that cut and sew manufacturing plays in different clothing needs hence we use state-of-the-art cut and sew methods to ensure that we meet the custom manufacturing criteria of our customers. A good clothing manufacturer is known due to the quality it offers; hence we ensure that we follow the global quality standards with our manufacturing methods.

All Over Printing & Embroidery

Stratton Sports as a frontline custom apparel manufacturer, acknowledges the printing needs of different clothing brands. The unique printing methods that we use are meant to provide printing all over different kinds of fabrics. We excel in offering state-of-the-art stitching and custom embroidery services at the lowest prices without compromising on the quality of the products. Stratton offers an exclusive collection of design options, including puff, and glow-in-the-dark screen designs, sublimation and embroidery

Apparel & Sports Wear

We take pride in recognizing ourselves as a leading active fitness and sportswear manufacturer in the market. The Apparel & Sports Wear options that we offer are manufactured with premium quality material to ensure that the quality remains unmatched. we offer all kinds of swimwear & bikini products. We have the ability to offer quality fashion apparel that aligns with the broader vision of our clients.

We pioneer in all kinds of casual manufacturing methods, and the fabric that we offer for our products is top-grade to ensure the finest quality and comfort.

COMPANY OVERVIEW

About Us:

Our factory has over 20+ years of experience in clothing manufacturing and certificated by Alibaba Supplier. We handle the whole supply chain process from designing, creating tech packs, sourcing for fabrics, printing, embossing, embroidery, And trims, create samples, bulk clothing production, packaging, quality control assessments to arranging delivery of the products.

START YOUR OWN CLOTHING LINE

OUR VALUES

HELPING START UP BRANDS

Being new to the industry can be very challenging. Finding a high quality clothing manufacturer, designing clothing, selecting fabrics, configuring size charts and so on. As one of the leading clothing manufacturers, we pride ourselves on guiding you through the whole manufacturing process and helping you to establish yourself whilst enjoying your new venture.

HIGH GARMENT QUALITY

We are always looking to push the boundaries of the garment quality we can offer the brands we work with. We put a lot of time in to sourcing high quality fabrics to create premium clothing and our each and every product is customizable. Our aim is to provide long lasting garments that contribute to a more sustainable garment industry

LOW MINIMUM ORDERS

Stratton Sports offers the lowest minimum order quantity (MOQ) in custom clothing, from 10pcs per design. Each garment is made to order and fully customizable at any quantity. Starting your brand with manageable order quantities will help you grow your product range at a faster rate without the risk of holding too much stock.

CLIENT CARE

We see ourselves as being part of your team and more than just a clothing manufacturer. We care about the success of your brand and will use our experience to advise and assist you in any way possible in any area of your business.

MANUFACTURING PROCESS - HOW IT WORKS

Complete Branding

Your brand, inside & out with our comprehensive customisation options.

Fully customisation service
