

## Our Services

### Private Labeling

We, as a quality clothing manufacturer, understand the importance of private labelling for a clothing brand. We provide a wide range of labelling options for all of your clothing needs at the best prices that making us one of the most reliable private label clothing manufacturers.

### Cut And Sew Manufacturing

We at Stratton understand the role that cut and sew manufacturing plays in different clothing needs hence we use state-of-the-art cut and sew methods to ensure that we meet the custom manufacturing criteria of our customers. A good clothing manufacturer is known due to the quality it offers; hence we ensure that we follow the global quality standards with our manufacturing methods.

### All Over Printing & Embroidery

Stratton Sports as a frontline custom apparel manufacturer, acknowledges the printing needs of different clothing brands. The unique printing methods that we use are meant to provide printing all over different kinds of fabrics. We excel in offering state-of-the-art stitching and custom embroidery services at the lowest prices without compromising on the quality of the products. Stratton offers an exclusive collection of design options, including puff, and glow-in-the-dark screen designs, sublimation and embroidery

### Sports, Apparel & Medical Wear

We take pride in recognizing ourselves as a leading active fitness and sportswear manufacturer in the market. The medical & Sports Wear options that we offer are manufactured with premium quality material to ensure that the quality remains unmatched. we offer all kinds of swimwear & bikini products. We have the ability to offer quality fashion medical wear that aligns with the broader vision of our clients.

We pioneer in all kinds of casual manufacturing methods, and the fabric that we offer for our products is top-grade to ensure the finest quality and comfort.
