Materials we offer

Materials we use for soccer uniforms

Nearly 100% polyester fabrics.

Polyester offers a great many benefits, chiefly among them being their lightweight yet durable quality, perfect for spending large amounts of time on the soccer field.

Materials we use for soccer footballs

- Outer Cover: Polyurethane (PU) or PVC
- Inner lining: Cotton & polyester
- Bladder: Butyl or latex
- Stitch: Polyester, Kevlar or glued by thermal eating
- Valve: Butyl or silicone

Materials we use for soccer net goal

There are three main materials from which most nets are constructed: high tenacity polypropylene (HTPP), polyethylene (PE) and nylon.

Adam

"my whole experience has been so amazing with Stratton Sportrs . they gave me a discount since it was my first order, i would definately come again"

Smith

Company Overview

||

As a known industry leader, we're used to working with all types of customers - local or global, large or small. Exceptional quality is the foundation of our company, and is the driving force behind all decisions; whether it's which materials to purchase or the best way to serve our customers.

We work in a highly competitive field, so we're constantly investing in technology and research to make sure we stay ahead of the curve. Our commitment to quality guarantees our success and your satisfaction.

Our Advantages

R&D Team

we have a professional designing and research team who are consistently working on new and in trend designs and designing patterns and check that patterns on different physiques to make them generalized and easy to buy for the clients without any more complexities which are more in general manufacturing units and many brands. You can design as many designs of ours and make your own if you see a good market in them.

Professional Factory

We are specialized in manufacturing, products designing, developing and customer service from 22 years when our ancestors started this business line specially in leather and now we have grown to the most popular markets of the world like USA, Australia and Germany and we got an office in Brisbane, Australia which deals with our clients in AU directly and supports them in the perfect way!

Price Quality Ratio

Our quality is second to none as we focus mainly on this subject but we provide our clients perfect quality in very good prices which is a unique factor of our working policy and that is what our beloved clients LOVE

Samples Development

As we produce bulk products but we also have made a section for ONLY SAMPLES DEVELOPMENT, which only deals with our new clients who are willing to produce new and beautiful designs for themselves so we give them best service in that too!
